

# JC - AI

Charter Review and What's next?

# Agenda

- Capture concerns and notes on the Charter
- Determine how to vote to accept the charter
  - Similar to how we vote for JC Champions?
- What's next?
-

# Quick Notes

- Later this week Foojay will have a channel for Java AI available later this week.
- Foojay is hosting Java and AI Webinar series:
  - If interested presenting, please email: Geertjan [geertjan@apache.org](mailto:geertjan@apache.org)
  - (Webinars are every 2-4 weeks)
  - The video of the last meeting can be found here:  
<https://www.youtube.com/watch?v=ySMhUGTy5XY>
- The attendees requested some small changes to the charter and they were applied to the charter
- We agreed to send out a vote email giving folks a chance to vote on the charter. If 3 or more people leave a negative vote then we will revisit the charter.
- We will host a meeting on 12:00 EST 18:00 CET on Tuesday May 27, 2025
